

WHAT IS LAUNCH COACHING?

Using an individualized podcast launch plan, I'll guide you through the ups and downs of launching your podcast!

HONE YOUR IDEA

Whether you're a planner or an improviser, knowing what exactly you want to produce is essential. Who is your audience? What is your mission? I'll help you express exactly what you mean to, from the very first episode.

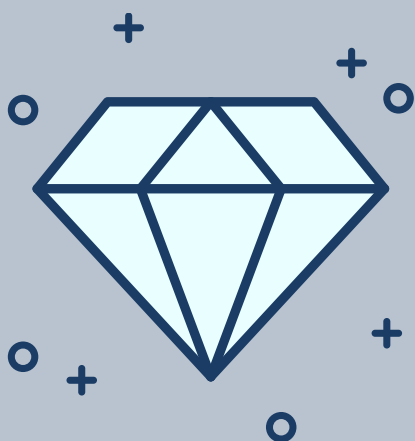

MAKE A PLAN

Podcasting is complicated! From social media management to audio engineering, I'll help you keep everything together in one place with your personalized launch plan.

ONGOING SUPPORT

Working with a launch coach means having access to personalized resources, direct feedback, and consistent positivity. I'll have your back!

LAUNCH HAPPY

Avoid the most common mistakes that starting podcasters make! Working with an independent coach on your launch means starting your podcast from a place of quality and confidence, rather than confusion.
